

# Community Walks

*with Living Streets*

**We are Living Streets, the UK charity for everyday walking.**

**Walking energises communities and brings streets to life.** We have teamed up with Manhood Wildlife & Heritage Group until March 2016. Join us on a free guided walk to celebrate Selsey, enjoy the fresh air and the company of others.

## **Community Conservation 'Site Seeing' Tour**

**Sat 28 Nov, 10-11.30am      Selsey Centre, Manor Road**

Be inspired by wildlife projects led by members of your own community - in the heart of Selsey. This 1.8 mile walk will take us round some of the sites developed and maintained by volunteers. Finish with a cuppa and a biscuit.

## **Senior Selsey Social Stroll**

**Weds 9 Dec, 10-11am      Selsey Library**

Retired? Moved to Selsey? Find out about local services and activities on this 0.5 mile gentle stroll through the town centre. Bring some change for a drink in a high street café during the walk.

## **RSPB Medmerry**

Walk the paths of Selsey's newest nature reserve from the breach to Ham viewpoint and back; 3 miles in total. Wear stout footwear and warm clothes. Warm up with a cuppa and biscuit to finish.

## **Family Shoreline Treasure Hunt**
